Continued Grievance

Date of crime 1-22-07

* I had been drinking for about a week, I was beginning to sober up & started going into DT's. I called an ambulance out to myself. They sent the Russell Co police out first. then the ambulance. I was taken to Summit Hospital, I'm sure the doctors there hadnt had to much experience with DT's. They were not giving me enough Medication & I went into DT's. And got Rowdy and SCARED them, so they called Russell Co. Police back to the Hospital. They found AN old WARRANT a Probation Violation From FLA. on me. So I Ended up in Russell County Jail rather than in a Hospital.

* This is what I Remember happening 1/22/07 I went into DT's, right before we got to the Jail. I Dont know what I could of been Imagining, but when we got inside I remember being Kicked, Knead Hit, pulled & slammed around, while my cloths were being torn off. I got 2 front teeth missing during this beating. I was drug around NAKED in front of the female staff, and thrown in a cold holding cell NAKED. Eventually AFTER I settled down I went into DT's again, I thought I heard sirens & went to see what it was, I pushed on the door & IT SLID open, I walked out side of it & there was ~~at~~ Moore! I Turned & walked toward him I thought he was there to help me.

Grievance II

- * ALL OF a sudden I get saturated in ~~Mace~~.
then I feel A deadenig pain across my Right Eye. He has hit me with his steel club In ALL The Blood, mace, slopber, I cant see or hear anything The cut is about $\frac{3}{4}$ inch wide & about 6" Long. Around & across my night eye. I Immediately Hit the floor begging him not to hit me any more. But it WASNT enough AS FAR AS HE WAS concerned, He Kept spraying & swinging his bar I kept backing away, Cryin, Couldnt hardly see or hear anything, Blood steady flowing. He Backed me in a closet of some kind. I grabbed at the door. Tryin to close it, But he kept sticking that Bar in between it. STILL spraying & tryin to hit me agine. I found some kind of handle was poking at his club Trying to get him to go away
- * I guess with all the bleeding, mace & fear I passed out. I CAN remember thinking there going to kill me now & started praying, The whole time Sgt Moore was on my back still trying to spray me again with his mace, Then it was the sheriff that came in I believe. They thru me down on the floor & handcuffed me from the back. Toting me Like a suit case they ALMOST Tore my ARMS Loose. Kept banging my knees tryin to get me to WALK, Like I could After such a beating twice. I WAS then Toted out of the JAIL -

And thrown in the back of a van.

* I was then hauled to another JAIL, was told in there where there was a nurse for Russell Co. on Duty. The Sheriff ASKED her about sewing it up she told him she couldn't do anything with this cut. IT WAS TOO wide & TOO Deep. So she was ^{told to} call another ambulance out to me. So we went BACK to the HOSPITAL. We went in the back & out the back door, I'm not sure I even signed in. They put about 25 Staples in my head & around my eye. They didn't even take time to do a scan to see if there was something else wrong. I guess the van was sent for cleaning because when we Left the hospital we were in the sheriff's car. When we got to the JAIL the sheriff jerked me out of the car, snatched me across his trunk & said if I SAID another word he would take off the other side of my head. As we entered the JAIL I was stripped again & put in the holding cell. Sick, COLD, NAKED and SORE. I WAS Left this way for 6 days.

* The nurse & other deputies that cleaned me up before the ambulance, was called held me down & cut all my hair off for no reason. They washed most the blood off, put on a piece of a bandage on me, & we waited on the ambulance. I HAVE NO IDEAL why ALL this HAD TO HAPPEN.

My Nerves are ruined, Always shaking & Jumpy, I Sleep hardly ANY. ANXIETY & FEAR are over whelming. I broke off the stub of my tooth that was Left from the 1st beating the other nite eating. Now I also have an EXTREME TOOTH Ach. I cant get to the dentist to get it pulled.

* CHIEF ALEXZANDER, I WANT TO PERSONALLY appeal to you professionalism and on you being a compassionate man. I WAS BEATEN UNNECESSARILY FOR NO REASON.

I ACTUALLY WAS SCARED FOR MY LIFE a couple times. Everytime I hear or see Sgt Moore, I shake in fear. Him & some of the other officers seem to be holding on to a grudge.

* I Feel that the appropriate action to be taken would be for Sgt. Moore & ALL ACCOMPANYING OFFICERS be suspended without pay until further investigation. I ALSO KNOW they were trying very hard to cover ALL this up. remember ALL they had on me was a hold for FIA.

* CHIEF, I ALSO SER INTEND ON SELF Gradification with A. 1983 FEDERAL LAW SUIT Form. I would also be grateful For your help with this. Of Course not to Exceed your duty & obligations to the SHERIFF AND to your Jail.

Thank you for your help
